

# UNITED AGAINST HATE WEEK

**NOVEMBER 13-20 2023**

*Plus a few extra days!  
Over One Week of Events*

United Against Hate was created by civic leaders in direct response to the sharp rise in expressions of hate in our communities. Our organization, Santa Cruz County for Safe and Inclusive Communities (SCCUSIC), a program of the Resource Center for Nonviolence, wants to empower local residents to take action in our communities and alter the course of this growing intolerance. When we come together to work against hate, we can restore respect and civil discourse, embrace the strength of diversity and build inclusive and equitable communities for all.
